Dear BCAPL & USAPL Members,

The holidays are over, and it's national tournament time!

The newsletter for the **36th BCAPL National Championships** is now available on-line. It contains all the info you and your teams need to determine your eligibility and entry into the many events. It also has important information on the **BCAPL National 9-Ball Championships**, the **2nd Annual USAPL National Championships** and the two pro events -- the **US Open 10-Ball Championship** and the **US Open One Pocket Championship**. The newsletter is expanded this year to include the four main entry forms, plus an insert to introduce the 2013 nationals at the Rio All-Suite Hotel & Casino in July 2013.

In the meantime, you can check it out for yourself on-line right now -- [CLICK HERE FOR THE EVENT NEWSLETTER](#)
