Hi All,

First, the entry deadline for our 9 Ball Team tournament is August 5th, and they must be in our hands by then. They entry forms and money can be mailed to us, our mailing address is on the "contacts" page of the web site, along with a phone number in case you need special treatment. Also, we will be at Uncle Jack's from 6:30 PM to 9:00 PM on that Thursday to accept them in person and to do the draw. This can't be done on line as we need the entry fees paid by then also. Remember, it's a 3 player team 9 ball tournament starting this Saturday at 10:00 AM. The format rules are on the web site. Its \$25.00 per player with a minimum of \$500.00 added. The reason we are doing these events is to give players another option than just Lincoln City, Oregon or Las Vegas. We will host as many of these type of tournaments exclusively for the PCL players depending on the participation we get. If we don't get many teams, we will assume its not important and not hold them. If they fill up fast, we will hold more of them. So its up to you guys to determine the number of future events.

If you are a division manager or just helpful, please print out some flyers and entry forms to hand out to the needy.

One quick item, the stats that are listed on the web site are for showing the BCA records only, and do not reflect make up games related to money leagues. They are what is recorded for BCA qualifying only. Also, if they are out of date at all, be sure to bug your division manager to send them in more often, as they are updated as soon as we receive them.

The web site has also been updated to show all the current players and rankings for 2010. It is at the bottom of the "players" page. Be sure to check for your name to make sure there are no errors in spelling or worse. There is also a column for new players to the PCL, and these people's ranking may change as we learn more about them.

What is amazing is that of the 210 players for the summer session, 89 of them are new to the PCL! We think that is fantastic, and we welcome them all to our little group.

Lastly, there has been a shake up with Nationals regarding rankings and team formats. If you are thinking of playing in Vegas next year, be sure to read the press releases. We put links to them up on the web site on the home page.

Thanks everyone and we'll see you at Uncle Jack's on August 7th! Even if its just to watch. If you just can't make it, be sure to check out the live web streaming all weekend. There will be a link to it at the top of the home page.
