Hi All,

Lots of great new info to pass on, please take the time to read.

## New Divisions

>> We are excited to say that there are two brand new territories this year. Oak Harbor will have its own division playing out of the American Legion and run by Paul Allers, and we will also be expanding into Renton, with a new league starting out of William's Pub and run by Charlene Lemmon. Renton is a new area for us and we are hoping very much to have this work. It would allow teams to play together with people from the North and South Sound areas. If you know someone who may be interested in this, please pass this on to them. Let's fill both of them up!

>> The Soundview league has a new start date, and will be able to qualify new players for the WBCA 9 Ball in October. However, they are either full or nearly full, so call Nancy first prior to showing up for the first night of play. The Shotze's league is nearby, and has plenty of tables, so there will be plenty of room for everyone in Everett.

>> Remember, all the details are posted on the Division Info page of the web site. please visit it and contact your Division Manager if you are planning to play this summer.

## Players Club 9 Ball Tournament

We recently held our Annual Division Managers meeting, where we all get together to go over old and new developments, changes for the new year, network with each other, etc etc.... One thing that was decided was the format for the upcoming 9 Ball Tourney in August. It was unanimous that we should hold the team format that we used last year, and have been using for the 8 Ball. There are certain ranking requirements, but it is a 3 player team with a \$25 entry per player. If we get 32 or more teams, it will have \$1000+ added (pro rate down if less than 32), and will be good practice for Lincoln City. It is also a good way to meet fellow members from other areas, and maybe find that last minute teammate. We will play on Diamond 7 foot tables, and it will be live streamed on the web once again. To see the flyer, just click here. Its a lot of fun for all skill levels, so we hope to see you there.

Pass it on

If you know someone who may be interested in playing in a BCA pool league, please direct them to the PCL web site, or pass this newsletter forward.
