WBCA 9 Ball Championships & Player Rankings

Congrats to all our players for doing so well once again. We had a total of 4 champions. Kathy Stanley won the Women's Open, Brent Kirschenmann won the Men's Open B, Greg Odal won the Men's Open A, and the duo of Leo Violette/Angela Jensen won the Masters Scotch Doubles. Way To Go!!! To see a complete list of all PCL players and how they finished, click [HERE](#).

The players who are moving up a rank due to their strong finish are as follows:

Kathy Stanley and Michelle Hughes are now Women's Masters.

Brent Kirschenmann, Gary Lewis, Scott Perry, and Paul Bennett are now Men's Open A.

Greg Odal and Phong Nguyen are now Men's Masters.

Room Closures

For those of you who don't know, we lost two rooms last month due to the poor economy. Shotze's in Everett and The Korner Pocket in Snohomish have shut their doors. The Golden Fleece has been nice enough to take on the Shotze's tournaments and Monday non BCA league, and The Soundview in Everett will now hold a Fall BCA qualifier on Wednesdays. The goal for next year is to have a travelling weekday league to go along with the weekend one we already have. The reason for this is that there is now no single room in the Everett area to hold a large league, and so spreading it out across several rooms is the way to go. But for 2011, The Soundview will be an in house league. To see all the meeting/start dates for the fall divisions, click [HERE](#). They start up this week and next, so don't wait a moment longer.

Casino Tour

The WBCA casino tour stop this January is a limited field, so the sooner you enter, the better, as the field will surely fill up. Entry forms will be available by mid December. It's a much closer drive than Lincoln City, and should be a blast. For all the details, click [HERE](#).

Women's Pro Tour Stop

The WPBA is playing once again in Lincoln City, Or from November 10th to the 13th. These events are a must see and we highly recommend finding a way to attend. Both Saturday and Sunday will be filmed by ESPN, so if you want to watch the productions along with great pool, give it an effort to show up. If you get there early and nab the good seats, you will get on TV too. If we want more professional type events in the Northwest, we need to support them, so if you can't make it, please pass this message to all your friends who might be interested. Ford and Chris will be helping run the tournament, so come in and say Hello to us!!

Thanks everyone and have a great Fall,

Chris, Ford, & Rose
