Subject: Golden Fleece Hosts WBCA Tournaments - BCA adds 9 Ball in May

Hi All,

The Golden Fleece Billiard Club in Kenmore has announced that it will host a series of tournaments as replacements for the cancelled Little Creek event. These tournaments are open to Western BCA members only. There will be a Mixed Masters singles on the 15th & 16th with \$1000 added, a Mixed Open singles on the 22nd & 23rd with \$1000 added, and an Ultimate Scotch Doubles on Feb 5th & 6th also with \$1000 added. Included in the middle of this is the PCL Team 8 Ball Championships on Jan 29th & 30th also with \$1000 added. The PCL event is open only to qualified Players Club members though. This event is the only one being run by the PCL, the other three are being organized and run by the Golden Fleece, and all questions about these tournaments should be directed at them. The flyer for all of them is attached, along with the flyer and sign up sheet for the PCL tournament.

Also, the BCA has announced that it is adding a 9 Ball tournament to the 8 Ball Championships in May. This will be played concurrently with the main event, and anyone interested can see all the details at [www.playbca.com](http://www.playbca.com). The press release has been attached also, in case you're interested in reading it.

We are very grateful to Askar and the gang at the Golden Fleece for hosting these replacement tournaments with all the added money with such short notice, and we at the PCL will do whatever we can to help promote the events. If you know a WBCA member who may be interested, please forward this information on to them.

Don't forget that the entry form deadline for the WBCA 8 Ball Tournament in March is Feb 7th. The forms are not out yet, but when they become available, we will have them on the PCL web site. If you are looking for a player to fill out your team to this, or the PCL Team Championship, email us with your needs and we can post it on the web site on the Classifieds page. Also, all of the paid PCL members are listed by rank on the Players page.

Thanks everyone, and we hope to see you on the 29th & 30th.

Chris, Ford, & Rose
