Subject: WBCA 8 Ball and Vegas Entries

Hi Everybody,

Welcome back to all the survivors of the Great Tsunami of Lincoln City. It was a record number of players for the 2011 WBCA 8 Ball Championships. Over 1250 players from all across the northwest, making it once again the largest regional tournament of any kind in the country. Players Club Ltd sent about 140 of them, which, by the way, is not even close to the largest number from one league. However, once again, we won the most divisions of any league. Last year it was the women who dominated the play, this year it was the men's turn, and dominate we did! The only divisions we didn't win was the Open B (we finished 3,4,5 though) and Seniors (only one entry). We also won the Open Scotch, and finished second in the Masters Scotch. The other League Operators are starting to get annoyed with us, to which we say "Good".

Here are this year's champions from the PCL;

Men's Grand Master Challenge - Dan Louie

Men's Masters - Damian Pongpanik

Men's Open A - Leo Violette

Men's Master Teams - Team Hustlin' (James Davee, Damian Pongpanik, Stan Tourangeau)

Men's Open Teams - Uncle Jack's Billiards (Clay Belvior, Arnold Rapapan, Chris Suarez, John Te, Leo Violette)

Open Mixed Scotch Doubles - Chris Suarez & Alisha Rogers

Men's Open Teams 2nd Chance - Soundview Bar & Grill (Tim Anderson, Brian Johnson, Shane McKinley, Ed Slade)

Men's Masters Singles 2nd Chance - George Stefurak

- and that's just the first place finishers. We had players all over the top spots in nearly every division. For a complete list of how everyone from the PCL finished, there is a link right under Ford's picture at the top of the Home Page on our web site, or just click [HERE](#).

We also took a ton of photos, trying to get as many of our players as possible. They are posted on the Photo Gallery page. If your photo isn't on there, it wasn't for a lack of trying, but darkness and moving targets made it tricky. The web streaming was better than ever, and a link to the replays is attached to the same page as our results. Rail2Rail will be streaming the NWSA this weekend (with Ford and Chris as your humble TDs), so check out their new, crystal clear camera). Click here for the link.

For those of you planning to go to Nationals in Vegas, the entry deadline is the 28th of this month. There is a link on the Calendar Page of the web site for entry forms, and don't forget that only Teams are sent to us, Singles and Doubles are sent directly to the BCA. By the way, we need the entries by the 28th, not postmarked by then, so plan accordingly. Also, make out checks to the BCA. Checks made to PCL or cash get a \$1 fee and a dirty look from our Treasurer (Ford) for the conversion hassle.

We will accept last minute team entries in person on the 28th at Shotze's in Everett from 6 PM to 9 PM, after that its late fee time. For the mailing address, go to the Contact Us page.

Thanks to everyone who made the trip this year, you made it more than worth all the hard work.
